

From our President

After a Covid-19 interrupted programme in 2019-20 I welcome you to what I hope will be a full 2020-21 season of bowls.

The club is in great heart, thanks in no small part to the many volunteers who give their time and energy to keep the club ticking over.

We now have a fully renovated kitchen and work has begun on repairing and repainting the roof. The new Executive also have plans for further improvements to the clubrooms in the coming year.

Thanks to our sponsors and advertisers, as well as the Pelorus Trust, The Southern Trust and One Foundation, for their generous support.

The greens are in great condition and a full programme of bowls is available to members and for those who wish to improve their skills coaching is available.

Have a great year of bowls, enjoy yourselves and enjoy your friends.

Jim Bagnall

Bowls for Beginners

This programme for beginning players will begin on the first Tuesday morning in October. The challenge from our President was for each of us to try to bring along a friend or contact who has never played our sport. Please try hard to do this.

OPENING DAY 2020 - 21

Opening Day is Saturday 5 September beginning at 1 pm. We will play bowls between 1.15 and 2.45 pm so please have your disc in by 1 pm.

Prizegiving will follow the roll up at approximately 3 pm. Please bring a plate for afternoon tea. The bar will be open and Covid-19 rules will be adhered to. Hopefully we will be back to 'normal' by then.

For the men. Could you put your names up on the notice board if you are interested in playing Interclub or Pennants as we need to enter our teams with the centre by 31 August.

Friday Night Meals

The club wants to try holding Friday night meals fortnightly during the summer season - a simple meal e.g. fish and chips with salad/coleslaw to start with. We hope this could be done by members on a volunteer roster basis, with help from members for clearing up afterwards. Please put your name on the noticeboard if you are interested.

Winter Maintenance Work

Our kitchen renovations are now complete and the final outcome looks great. Well done to our planners.

Work on the clubhouse roof continues. The repaint work on the main part of the roof has turned into a re-roof as the old roof (as many suspected) was in very poor condition. Work will be completed this weekend.
