

Crystal Ball Time

While many of us are content to tick along one day at a time Vice President Stuart Fieldes has developed a Club Maintenance Plan to take us through to 2032. You will have seen that there is major spending on the Summerset green and our south and west fences over the next two years. Hopefully after that there may be five years of only minor routine maintenance work until some major interior renovation work is required.

RE-CLUB CHAMPIONSHIPS

All full members please read the Club Championships information on Pages 42-44 in your club handbook.

Before entering your name on a club championship entry sheet PLEASE:

- Check that you are available both days carded for the event**
- Check that you are putting your name on the correct entry sheet**
- Check the Conditions of play**

The event Convenors names are on the entry sheet. Please contact them for any queries.

The number who entered the Balloted 2 x 4 x 2 Pairs Championship on 17-18 September thinking it was 3 Bowls Pairs was mind boggling!!

For all club championships the Convenors do everything they can to avoid byes. This usually means numerous phone calls late on Thursday afternoons, but, sometimes we just cannot get more entries and byes are unavoidable.

Sadly, **Dinny Burgess** has passed away.

Dinny contributed hugely to the Paekakariki Club and to the Centre since its inception. His contributions include:-

- Paekakariki delegate to the Centre for most years between 1996-97 and 2008-09
- Centre Vice President 1998-99 & 1999-2000 and President 2000-01 & 2001-02
- two years on the Finance Committee and seven years on the Tournament Committee

Dinny has been a significant sponsor of the Centre since the 2005-06 season.

For his outstanding contributions to the Centre Dinny was elected a Life Member in 2005-06. Dinny is the father of Centre sponsor **Kurt Burgess**.

LEVIN BOWLING CLUB TEN YEAR MAINTENANCE PLAN

Club Vice President **Stuart Fieldes** has developed a Draft 10 Year Maintenance Plan for the club which has been circulated to members through an e mailed Excel Spreadsheet. The Plan was discussed by the Executive at their meeting on 19 September.

The draft plan is very comprehensive and reflects some of the complexities involved in running and financing the operations of a large and successful club.

Members were invited to give feedback to the Executive.
